Where:

- Cheat River Outfitters headquarters in Albright, WV

Directions

From I-68. Get off at Exit #23 (Rt. 26 at Bruceton Mills), and go South. Follow Rt. 26 for approximately 12 miles to the town of Albright. When you see the Exxon station on your right look for Cheat River Outfitters on the left. Follow the gravel driveway up the hill to the big log building.

- We have a guide house where you are welcome to stay on the weekends (very rustic, bring your sleeping bag)

What to bring:

- \$40 (refunded back to you after you are certified)
- Drivers License and Social Security card or equivalent I.D.
- First Aid and CPR Cards if you are certified. If you need to be certified we will be offering the class on the evening of Saturday, March 29th.
- River Gear- We will loan you a wetsuit, lifejacket, helmet, and paddle for training if you do not yet own your own gear
- Warm clothing for the river. Do not plan on wearing any cotton on the river. We can loan you a wetsuit but you will need to layer with synthetic long underwear (polypro, capilene, or wool- check labels to be sure there is no cotton on board), and bring a fleece or wool sweater for your upper body. Wool or fleece socks and a wool or fleece snug fitting hat are a good idea.
- *An attitude of fun, ready to prove that you are a memorable person willing to learn a new skill.*
